A popular Christmas market

The Sutton Christmas Market, renowned for its magical, family-friendly atmosphere, attracted no fewer than 11,000 visitors last year. The 2023 edition will once again feature a wide variety of local merchants, including designers, producers and artisans from the Brome-Missisquoi region. Nearly 50 exhibitors will be showcasing their products and handmade creations.

Great activities for the whole family

Visitors can look forward to the traditional Christmas market atmosphere, with music, an outdoor log fire, activities for the little ones, on-site tastings and sales of local products.
