

SUTTON

The Town of Sutton and Tourisme Sutton will be hosting the 13th edition of the Sutton Christmas Market. The traditional event will be held from 10 a.m. to 4 p.m. on November 23–24 and 30, as well as December 1, 2024.

Like last year, the festivities will take place under heated tents in the heart of the village, at 14 Dépôt street.

A popular Christmas market

The Sutton Christmas Market, renowned for its magical, family-friendly atmosphere, attracted no fewer than 11,000 visitors last year. The 2024 edition will once again feature a wide variety of local merchants, including designers, producers and artisans from the Brome–Missisquoi region. Nearly 50 exhibitors will be showcasing their products and handmade creations.

Great activities for the whole family

Visitors can look forward to the traditional Christmas market atmosphere, with music, an outdoor log fire, activities for the little ones, on-site tastings and sales of local products.

 November 23 and 24: Visit from Santa Claus, little train rides, hot chocolate booth and ornament coloring.

November 30 and December 1: Visit from the Snow Queen, little train rides, New Magical Quest, hot chocolate booth and ornament coloring. 

And once again this year, Ungava will be a proud partner of the Market. You'll find their famous holiday-flavored hot beverages and spirits at their booth.

Take a stroll and do your shopping in the heart of the village, discovering the market and the many shopkeepers!
